Federal Communication Commission
Bureau / Office

Dear Mr. Dale:

Enclosed, pursuant to Condition V, Paragraph 16 and Attachment A of Appendix D to the order approving the merger between Bell Atlantic and GTE ("Merger Order") are Verizon's performance measurement results for January 2003. We are providing you with disks containing ASCII files of the results in the format you requested. An additional disk provides two reports that were requested by CCB staff. One report summarizes the voluntary payments for Performance Plan Years 1 and 2 through the December 2002 performance month by state and the other report provides a summary by metric for the same time period.

Individual CLEC results for both the former GTE states and Bell Atlantic states are available on the web site. These CLEC-specific reports should be treated confidentially in accordance with the terms of the Merger Order, Appendix D, Attachment A, ¶ 1.

In a few instances, the measurements reported do not precisely match the definitions stated in Attachments A-2a and A-2b. The Attachment to this letter describes those instances in which there are variations.

If you have any questions, please do not hesitate to call me.

Sincerely,

Attachment
